15 minutes Homework	<p>Free Write-- <b>LETTER to a student in next year's Fourth Grade</b> (Rough Draft):</p> <p>Remember your first day of fourth grade. It was probably exciting and a little scary. Now, you are almost fifth graders. This week, you'll be writing a letter to a student who will be sitting at your desk next year. Tell the new student about memories of the class or grade, favorite projects, what they learned, advice about how to be successful in the class, things to do and not to do, and (my favorite) what the teacher is like. Remind students that they want to keep the content of their letters positive so as not to scare the new students or make someone even more anxious on their first day of school! <b>YOU ONLY NEED TO WRITE A FINAL DRAFT, BUT I WILL READ THE ROUGH DRAFT IF YOU NEED ME TOO!</b></p>	<p><b>COMPLETE ONLY CROP-QVS (DUE FRIDAY)</b></p>	<p>Free Write-- <b>LETTER to a student in next year's Fourth Grade:</b></p> <p>Finish and fix your draft, and get your final draft finished</p> <p><b>REALLY MAKE THIS LETTER YOUR BEST WORK!</b></p>	<p>Free Write-- <b>WHO ARE YOU?: THIS DOESN'T HAVE TO BE A FREE WRITE.
